Dear Prefix First Name Last Name,

We pray that you are having a blessed summer and are taking time to rest and recharge.

Thanks for answering Gods call to you to your vacation within the Catholic Church. We know that July can be a challenging month for our priests as it is moving month for many of you. Some are called to move after year and others after twelve years. You have the stresses of packing and deciding what to keep and what to leave behind. You have to adapt to a new environment, a new neighborhood, and a new city. You inherit a new staff, a different tone and culture of your new church. You leave behind your previous church family and friends that you have made throughout the years.

There are many challenges to the promise of obedience, perhaps moving is the greatest?

One priest described moving as "your heart breaks open and moves you to love more deeply and expand your love for Jesus and your new parish. He added that you build new life long relationships and quickly realize that there are people that love Jesus everywhere and they will love and support you.

The Men of Action are grateful for accepting your current and new assignments. We pray that your church helps you to grow as a priest, gain experience and meet the needs of the parish. We thank you for your self sacrifice, for teaching the Gospel and administering the sacraments.

We pray that God continues to Bless you, your parish and your ministry.
