

August 2024

Other Email

Dear Prefix Last Name,

As summer turns to fall and the leaves begin to change color, the heat and humidity of August are replaced by the crisp cool mornings of September. We are reminded of the never ending changes, both good and bad, that characterize life on earth. However, in all of these changes, we are ever mindful that the most important things will never change, the unfailing love and faithfulness of the Lord.

Know that as we all try to navigate this changing world, remaining faithful to the Gospel and proclaiming to all who will hear, our love for and gratitude to the Lord. We are also grateful to you for the role you have played in our formation. Out of that gratitude we pray for your continued closeness to Him. We pray for your salvation and growth in holiness, for your health, physical, spiritual, mental and emotional. We pray that you might be abundantly endowed by the gifts of the Holy Spirit and that you might live in His gifts so as to experience the fruits of the Holy Spirit in your life and we pray for all of your intentions.

Your Brothers In Christ,

The St. Elizabeth Ann Seton, Men of Action
